Dear Sirs

Your letter of the 8th inst received with the two 1/2 s of 36 & 15 — In my letter I do not think I asked you to send them and had you mentioned in your postal card the price you asked I might have saved you trouble & expense. I am sorry to inconvenience you in this but your prices are too exorbitant. I return them by to days express. Mr McFarland of Terre Haute who referred me to you said that he had not the pieces at the time but if he had he would let me have the three 1815. 36 & 52 for (6.50) Now by this I do not mean to say that it is their value If he had had the pieces and had asked twice the amount I would have bought them but you ask twice the amount for two inferior pieces i.e. of 36 & 52 I endeavored to sell them at your price among dealers & collectors in this city and I was laughed at; this is the

delay in returning

Yours Respy

Elos. Wier

P. S. If you have or can procure 1/2° of 1796 & 97

please inform me by postal your price
